Dear Creative Australia

Subject: Letter of Support for Charles Clapshaw - Creative Australia National Arts and Disability Initiative

I am writing to support the nomination of Charles Clapshaw for the 2024 National Arts and Disability Initiative.

Charles demonstrates a strong commitment to his artistic practice and its explorations of technology. He also shares his knowledge and inspiration with the Autistic community and is a long-term supporter of Autism Awareness Australia.

He is a talented artist who contributes positively to the Australian arts scene.

The Talking Painting is an exciting initiative which will provide a unique opportunity for Charles to reconnect with the art industry and showcase this talent.

Please feel free to contact me if you require further information.

Yours sincerely,

Elizabeth Sarian
